

It's Church Assessment week-end!

How are we doing as a church?

What needs do we have?

How can we become more effective for Jesus?

This week-end, June 23 and 24, is the New Church Specialties assessment week-end, which will help us to answer those questions.

The team will

- Review our buildings' readiness for ministry,
- Evaluate the effectiveness of our services,
- Interview a number of you about your opinions of the Vine,
- Administer the Natural Church Development survey,
- Meet for two hours with the Church Board,
- Collect our all-church surveys.

You can help by completing an all-church survey and returning it to us this week-end. You can also help by being a joyful, hopeful participant in this week's worship. We're going to learn about how we can "pray like Jesus."

You can also help by praying for God to use this season to draw our hearts to be more in love with Him and more joyfully obedient to His call on our lives.

Yours in Him,

Pastor Greg
